

Co-funded by  
the European Union

PROGRAMME 2021 – 2027  
**COMPETITIVENESS**

The enterprise has been funded under the Action of the “Competitiveness” Programme (NSRF 2021–2027) entitled “Green Productive Investment for SMEs”, part of the Action Bundle “Green Transition of SMEs.” The Action aims to promote the adoption and development of modern technologies by SMEs, the upgrading of produced products and/or services, and the overall enhancement of their activities.
